

REMARKS/ARGUMENT

The Examiner has identified the amendment filed on 05/08/2009 with election of claims in response to the Examiner's requirement for restriction as non-compliant for failure to identify all claims with a status identifier. A claim set corresponding to the election made herein with unelected claims withdrawn and elected claims marked as original is submitted as the corrected section of the non-compliant amendment.

If additional information is required, please contact the undersigned as counsel of record.

Respectfully submitted,
